New Business:

1. Discussed status of how far Bill has gotten with working with our spreadsheet that keeps our ratings for all of the PHRFGB fleet. Problem has been getting Bill and Walter together with Darin to go over the workings of the spreadsheet. Zoom meeting has been setup to get his accomplished. Meanwhile we continue to have problems with existing boats after the owner has paid not getting their 2021 certificates. For the next month we are allowing boats to work off their 2020 certificates if we have problems getting the boat a new one.
2. We have one ratings appeal for Second Wind owned by Chris Waters. Will have appeal hearing at next month's meeting.
3. I have been given the task of getting some new PHRF rating books generated for the Handicapping group.

Boats to be rated:

Oxbow: S2 9.2 Center cockpit – Base 192  
Irish Mist: Catalina 470 SD – Base 102
